**REPORT TO COUNCIL**

Date: December 11, 2014  
To: Mayor Charlie Hales  
From: Fred Miller, Chief Administrative Officer  
Subject: Accept the annual report of the Public Safety General Obligation Bond Program  
Independent Citizens Committee (Report)

As the Chief Administrative Officer with responsibilities for the Public Safety GO Bond program, I am pleased to convey the annual report of the program's Independent Citizen Committee (ICC), attached as **Exhibit A**.

The ICC has been meeting quarterly since March 2011. The following processes and organizational structures have been put in place to ensure timely and accurate information to the citizen members of the ICC:

- Project oversight committees (POC) are established for the four projects receiving funding from the GO Bond.
- City project staff prepares standard, and quarterly status reports, then submits them for review and approval by their respective POC who then submit them to the ICC.
- The ICC meets quarterly with City project staff and POC members to discuss the projects' financial and physical progress and any issues or concerns. These meetings will continue quarterly until bond proceeds are expended.
- The ICC prepares quarterly reports for the CAO, summarizing the program's status and the respective progress of the four public safety projects funded by the GO bond program.
- The ICC prepares an annual report for the CAO to submit to City Council.

The role of the ICC is to review bond expenditures and provide annual reports to Council on whether such expenditures adhere to voter-approved uses. The ICC does not provide either a financial or performance auditing function, and can only proceed with the information presented to it at its quarterly meetings. With this observation, ICC members believe they have been kept fully informed by City staff, and are satisfied with the quality and presentation of information presented regarding the projects.

This annual report of the ICC provides a summary of the origin and development of the GO Bond ICC, status of the program, and status of each of the four public safety projects.

The program is on track to meet its objective. I recommend that Council accept the report.
