

Office of Mayor Charlie Hales  
City of Portland

REPORT TO COUNCIL

DATE: December 17, 2014

TO: City Council

FROM: Mayor Charlie Hales

SUBJECT: Accept report from Portland Community College on the current work of Future Connect

---

I am pleased to submit for your consideration a report from Portland Community College on the current work of Future Connect.

Future Connect is in its third year of partnership with the City of Portland in concert with the PCC Foundation. Future Connect is an innovative college scholarship and success program targeted at lower-income Portlanders from families with little or no experience having attended college. City of Portland resources are matched with support from donors from the PCC Foundation to provide students access to college and the supports they need to thrive. Given Portland's pioneering leadership, Future Connect has been brought to the cities of Hillsboro and Beaverton last year.

I hope that through this presentation, the council can further educate our community about the work of Portland Community College in providing pathways for high schools students to attend college and on-going support to students once enrolled.

Sincerely,

Charlie Hales  
Mayor of Portland
