André Baugh, Chair
Portland Planning and Sustainability Commission
1900 SW Fourth Avenue, 7th floor
Portland, OR 97201

Dear Planning and Sustainability Commission Chair Baugh;

Re: Pembina Portland Propane Terminal Project (the "Project")

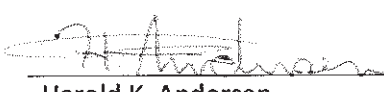

Further to our presentation at the Planning and Sustainability Commission hearing today, we confirm the following:

1. Pembina will purchase green energy to offset power used at the Project site.
2. Pembina will mitigate all local environmental impacts from the Project.
3. Pembina will prioritize local hiring and workforce diversity for the construction and operation of the Project facilities.
4. Pembina will utilize unionized labour for the construction of the Project facilities.
5. Pembina will not seek government or other public funding or incentives for the Project.

Yours Truly,
