

I am a resident of the Argay Neighborhood in NE Portland.

I am amongst several residents who are requesting that all vacant and/or undeveloped R-3 zoned land in Argay Neighborhood be reclassified to R-5 or R-7 single family residential, and the proposed Mixed Employment areas located at SE corner of NE 122nd and Shaver and at the SW corner of NE 147th ave and Sandy Blvd also be reclassified to R-5 and R-7 single-family.

I want to keep Argay a family friendly neighborhood. This is the number one reason I moved to Argay over other NE Portland neighborhoods.

Thank you
