Subject: Communication before City Council

Karla,

I'm David Yasnoff and I live @ 1906 NW Overton, Portland OR 97209 and can be reached by phone @ 503.380.9308. I'm the CEO of a small local tech startup and I'd like to request an opportunity to provide a communication before City Council regarding ride sharing.

While I understand this is a complicated issue I'd simply like to focus on public safety. There is emerging data that suggests car share services dramatically reduce DUI (<http://blocks.org/nategood/5868e870b1c668c660f1>). With New Years Eve approaching I believe the City has an opportunity to prevent pointless injuries/deaths over the holiday by immediately resolving the licensing hurdles preventing these services from operating in Portland lawfully.

I have no financial relationship of any kind with any car share service or transportation company. I also have no political agenda or affiliation.

I understand I've missed the official deadline for tomorrow's meeting but would be happy to keep my remarks under 1 minute if you can include me tomorrow. I can also provide written copies of my remarks in advance. If that won't work I'd appreciate your consideration for testimony at the next meeting.

Thanks for taking the time to consider,

Dave
