

ORDINANCE No. 186997

Extend term of a temporary, revocable permit granted to Portland State University for electric vehicle supply equipment services (Ordinance; amend Ordinance No. 184805)

The City of Portland ordains:

Section 1. The Council finds:

1. In August 2011, the City Council granted a 30 month temporary, revocable permit to Portland State University (PSU), to use the City streets to provide electric vehicle supply equipment services. Ordinance No. 184805. The temporary, revocable permit allowed PSU, with its partners, Portland General Electric and the City of Portland, to transform a block of SW Montgomery Street into "Electric Avenue" and to showcase a variety of electric vehicle charging stations. In late 2013, City Council approved the first extension of the temporary, revocable permit to February 28, 2014. Ordinance No. 186334.
2. PSU and its partners are working to decommission the electric vehicle charging stations in Electric Avenue and to relocate selected charging stations to other locations within the City. City staff recommends the City Council extend the existing temporary, revocable permit to allow time for parties to make this transition.

NOW, THEREFORE, the Council directs:

- a. Ordinance No. 184805 is hereby amended to extend the term of the temporary, revocable permit, continuously and without interruption to September 30, 2015.
- b. All other terms and conditions of the temporary, revocable permit shall remain the same and unchanged.
- c. On or before the thirtieth (30th) day after this ordinance becomes effective, Portland State University shall file in the Office of the Auditor of the City of Portland a written acceptance of this ordinance, executed by Portland State University meeting the approval of the City Attorney. Any failure on the part of Portland State University to file such written acceptance within such time shall be deemed an abandonment and rejection of this ordinance, and shall be construed to be an acceptance of all the terms contained in this ordinance.
