Community impacts and community involvement:

Formed in 2010, the PSC has specific responsibility for the stewardship, development and maintenance of the City's Comprehensive Plan, Climate Action Plan and Zoning Code. The PSC develops recommendations to share with City Council in hopes of creating a more prosperous, educated, healthy and equitable city.

To inform their recommendations to Council, the Commission hears testimony from thousands of Portlanders by holding public hearings. Maintaining a diversity of perspectives on the Commission is imperative in ensuring an inclusive public process. The three Commissioners being reappointed come from a variety of backgrounds and add perspectives about development, housing and education while broadening the voice of the Commission.
