Testimony to the Portland Planning and Sustainability Commission

We support Steve and Joyce Montgomery in their request to have the Pleasant Valley “V” Overlay and the “P” Overlay removed from their property at 5557 SE Jenne Ln Portland OR 97236. They do not even live in the city of Portland and should not be forced to deal with these restrictive and punitive overlays which were added to the property they have owned for 30 years plus, without notification of any kind. They are still finding new ways these overlays are interfering with their utilization and enjoyment of their own land. This is wrong; it is UN-AMERICAN AND UN-OREGONIAN.

With out a doubt this is against are rights as Americans, and I Angela McCraw will stand strong with Steve and Joyce Montgomery in there fight to do what they want with there property that they have had for forty years.

Yours truly

Angela McCraw
