Presenter name: Becky Chiao

Purpose of proposed legislation and background information:

This ordinance will settle the bodily injury claim of Ana Guadalupe Mora, a teenager who was struck by a police car at low speed while walking across the street. Risk Management and her attorney have reached a compromise settlement of her claim for \$10,000 and payment of medical bills.

Financial and budgetary impacts:

Previously, her medical expenses of \$3794.34 were paid directly to Kemper Insurance Company. This ordinance will authorize payment of an additional \$10,000 to be paid out of the Liability Claims fund in exchange for a full release.

Community impacts and community involvement:

Risk Management does not seek community involvement in settling claims and lawsuits.
