**Subject:** South West Hills Residential League Public comment on TSP priorities

The SWHRL board has voted to endorse the following TSP projects for funding. This list is in order of priority to the neighborhood.

1. 90024 - Broadway ped
2. 90031 – Dosch
3. 90038 – Humphrey
4. 90054 – Patton

Thank you for excellent service to the residents of this great city and please consider the unique geographical challenge of the SW Residential Hills Community when prioritizing funding for Pedestrian, Bike, Public Transit and Motorists.
