**Purpose of proposed legislation and background information:**

Kahut Sanitary Services, Inc. (Kahut) has been granted a franchise for the collection of residential solid waste, recycling and compostables within the City of Portland. In 2010, the Council consented to the transfer of a second franchise to Kahut when they purchased City Sanitary Services. Portland City Charter states that no sale or transfer of any franchise is allowable without Council approval. Kahut has informed our office that they want to merge the two franchises and conduct all operations for them under the name Kahut Sanitary Services, Inc. dba City Sanitary Service. The Bureau of Planning and Sustainability supports this request.

**Financial and budgetary impacts:**

There are no financial or budgetary impacts resulting from this action.
