### REPORT TO COUNCIL

To: Mayor Charlie Hales

From: Fred Miller, Chief Administrative Officer

Subject: Accept the Quarterly Technology Oversight Committee Report from the Chief Administrative Officer (Report)

As the Chief Administrative Officer with responsibilities for technology project oversight, I am submitting the quarterly report of the Technology Oversight Committee (TOC), attached as Exhibit A.

The TOC has been meeting monthly since September 2011. Processes have been created for early and continued technology oversight by an independent five-member citizen body for the purpose of increased transparency and accountability. Elements of the technology oversight include:

- Early identification of City technology projects and assessment by the bureau, Bureau of Technology Services (BTS) and TOC as to whether a project warrants TOC oversight.
- TOC citizen oversight on significant City technology projects (high risk, high cost, etc.).
- Regular, standardized information from City bureaus to TOC about technology project status.
- External quality assurance (QA) consultant required on technology projects under TOC oversight.
- Regular, standardized information from QA consultant to TOC about technology project status.
- Quarterly reports from the TOC to the Chief Administrative Officer to the City Council.

This report covers TOC activity from January through March, 2015. The report summarizes the status of the technology projects under the TOC's purview. During the time of these reports, the TOC provided oversight on several projects: the Bureau of Development Services' Information Technology Advancement Project (ITAP), the Portland Housing Bureau's Affordable Housing Software project, and the Auditor's Office's Lien Accounting System (LAS) Rewrite. TOC is adding the PCI/Payment Gateway project to their portfolio.

I recommend that Council accept the report.
