**Location:** 2280 NW GLISAN STREET

**Zoning/Designation:** CS, Storefront Commercial / Historic Alphabet District

**Neighborhood Contacts:** Northwest District, contact John Bradley at 503-313-7574  
Nob Hill, contact Mike Conklin at 503-226-6126  
Neighbors West/Northwest, contact Mark Sieber at 503-823-4212

**Proposal:** A Design Advice Request is a voluntary review process that allows the Portland Historic Landmarks Commission to provide early feedback on a development proposal, prior to the required land use review. This June 8<sup>th</sup> hearing will be the second Design Advice Request for this project.

The applicant requests a **Design Advice Request** for a new 3-story commercial building at the corner of NW 23<sup>rd</sup> Avenue and NW Glisan Street in the Historic Alphabet District. One level of below-grade parking for 20 vehicles is included. Both the underground parking and at-grade, enclosed loading will be accessed from NW Glisan Street via the same driveway. The main pedestrian entry will be from NW 23<sup>rd</sup> Avenue through recessed courtyard. The rooftop is planned to include an enclosure for three stairways and an elevator, a semi-open verandah type structure and a terrace.

As part of the proposal a **Modification** to the maximum 45' height would be requested to allow the building parapet and the proposed rooftop structures to be taller than 45'.

\*\*\* To view project information (including drawings), please visit the Landmarks Commission [www.portlandoregon.gov/bds/PortlandLandmarksCommissionAgenda](http://www.portlandoregon.gov/bds/PortlandLandmarksCommissionAgenda) and click on the link at the top of the first page. This link is continually updated and will have the latest information about the project, including any follow-up hearing dates.

**Approval Criteria:** In order to be approved during the required land use review, this proposal must comply with the approval criteria of Title 33, Portland Zoning Code. The applicable approval criteria are - the Community Design Guidelines; Historic Alphabet District: Community Design Guidelines Addendum; and Section 33.846.070, Modifications, in the Portland Zoning Code.

## **GENERAL INFORMATION ABOUT THE DESIGN ADVICE REQUEST PROCESS**

### **Purpose of a Design Advice Request**

Design Advice Requests are not intended to substitute for other Code-required land use or legislative procedures. Purposes served by Design Advice Requests might include the following:

- Early feedback on atypical building types or configurations unable to draw on other prior project approvals to assess approval potential.
- Projects which, for various reasons, anticipate including elements that do not appear to conform to design guidelines, and which may require a waiver of one or more design guidelines.
- Unique urban design schemes for which interest or support is sought prior to approaching other agencies.

### **Process**

The Portland Zoning Code affords the opportunity for parties interested in bringing matters before the Design Commission outside of other prescribed regulatory or legislative processes. The relevant Code chapter reads as follows:

*33.730.050 F. Other pre-application advice.*

An applicant may request advice from the Design Commission or Historical Landmarks Commission prior to submitting a land use request that would be heard by these commissions. These requests are known as "Design Advice Requests". These requests do not substitute for a required pre-application conference with the BDS staff and other City urban service or technical representatives.

The general order of appearance for those attending the meeting is as follows: Bureau of Development Services introduction, applicant presentation, clarifying questions about the proposal by the Commission, public comment, informal discussion about the proposal between the Commission and the applicants, and Design Commission final comment. There will be no final decision about this proposal during this Design Advice Request process. At the request of the Commission, a submittal for a Design Advice Request may be continued to a future date for further discussion.

### **Opportunity for Public Comment**

The neighborhood association may take a position on the proposed development and may have scheduled an open meeting prior to providing comment to the Design Commission. Please contact the person listed as the neighborhood contact to determine the time and date of this meeting. The public meeting with the Design Commission will provide an opportunity for parties to submit oral and written comment on this matter

### **Design Advice Request Results**

Design Advice Requests will provide informal, advisory response only. Responses received at the meeting may inform City staff when processing future land use reviews, but will not be considered a formal directive from the Commission. The Commission may offer future procedural or design direction, and may also offer a preliminary assessment against approval criteria that would apply were the proposal to be reviewed formally through the land use review process. Comment provided at the meeting will be documented by City staff, and will be available for further and future reference.
