

ORDINANCE No. 187118

Amend Intergovernmental Agreement with Metro to accept an additional \$80,000 for administration of the City Master Recycler Program in FY 2015-2017 (Ordinance; amend Contract No. 30003529)

The City of Portland ordains:

Section 1. The Council finds

1. Since 2003, Metro has provided the City annual and then biannual grants to administer the Master Recycler Program, which provides an eight-week training course for adults on the solid waste and recycling system. Participants pay back their training by educating others in the community – either by doing special projects or interacting with the public at events, thereby multiplying the program's efforts.
2. By Resolution 36423 on June 28, 2006, Portland City Council adopted goals for a sustainable solid waste and recycling system to:
 1. Promote sustainability of the solid waste and recycling system that includes maximum efficiency, equity and economic vitality, improved worker safety and reduced environmental and human health impacts over the entire life cycle of the materials, and
 2. Minimize the impact of harmful wastes by targeting toxicity and reducing greenhouse gases emissions, and
 3. Reduce per capita waste generation below 2005 levels by the year 2015, and
 4. Maximize recovery of all waste with a target of 75% by the year 2015 and promote highest value use of recovered materials.
3. The City's Master Recycler program continues to provide education and outreach to increase public awareness and inspire activities that lead to improved recycling rates in the city. During FY 2013-2015, 147 people completed the Master Recycler Program training and Master Recycler volunteers contributed over 6000 hours of waste reduction education and outreach in the Portland Metro area.
4. Metro has notified the City of Portland that it will award a two-year grant of \$80,000 for the Bureau of Planning and Sustainability to continue to implement the Master Recycler Program for FY 2015-2017.
5. The City's match is \$40,000 each fiscal year from the Solid Waste Management Fund. The FY 2015-16 match is budgeted in the cost center PNSD000006.

NOW THEREFORE, The Council directs:

- a. The Mayor is hereby authorized to amend on behalf of the City of Portland additional funding from Metro in the amount of \$80,000 for the two-year implementation of the Master Recycler Program from July 1, 2015 to June 30, 2017 and to execute an agreement with Metro, Amendment No. 1, Exhibit 1.
- b. The FY 2014-15 budget isn't amended. The funding for 2015-16 is included in the Bureau of Planning and Sustainability FY 2015-16 Requested Budget.
- c. The Office of Management & Finance Grants Office is authorized to perform all administrative matters in relation to the grant application, grant agreement or amendments, requests for reimbursement from the grantor, and to submit required online grant documents on the Mayor's behalf.
- d. The Director of Bureau of Planning and Sustainability of the City of Portland is authorized to amend on behalf of the City of Portland any subsequent modifications by Metro for the Master Recycler Program grant, Metro Contract No. 931822, Exhibit 2, provided such modifications do not increase the City of Portland's financial obligation or risk. Any modifications that increase the City of Portland's financial obligation or risk must be authorized by ordinance adopted by the Portland City Council.
