To Whom It May Concern:

I am writing to request your consideration in including my property for a designation to EX Employment Zoning designation in the current Southeast Quadrant Plan. I have property located at 1015 SE Woodward as well as property that fronts on Milwaukie Ave between SE Clinton and SE Woodward.

I feel that including this property would be a benefit to the community and add continuity in the development of the area especially in light of the fact that properties along Woodward across the street have EX proposed zoning under the current land use concept plan. It only makes sense to have both sides of Woodward with the same zoning so as to establish consistency of zoning and creating a commercial corridor. I would appreciate your review in this matter and consideration of my property for the EX zoning.

Thank you in advance for your kind consideration on the matter.

Sincerely,

Bruce Schneider
President
