

ORDINANCE No. 187132

*Authorize an Intergovernmental Agreement with Portland State University for \$304,000 under the 2014 Bureau of Justice Assistance Smart Policing Initiative grant program to provide research and services to the Police Bureau for the study of the Neighborhood Involvement Locations program (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Office of Justice Programs (OJP) awarded the City a Bureau of Justice Assistance (BJA) grant in the amount of \$699,464 for the FY 2014 Smart Policing Initiative (SPI) program on September 29, 2014;
2. The Smart Policing Initiative seeks to build upon the concepts of offender-based and place-based policing and broaden the knowledge of effective policing strategies. This initiative addresses the need for effective policing, which requires a tightly focused, collaborative approach that is measureable, based on sound, detailed analysis and includes policies and procedures for accountability;
3. The purpose of the Intergovernmental Agreement is to address roles, responsibilities, and payment for research and services provided by Portland State University (PSU) as related to the SPI grant award and approved Action Plan;
4. Portland State University has provided similar analysis and evaluation services for the City in the past and is well-suited to provide such services on this project;
5. The City will reimburse PSU for the cost of all approved expenses not to exceed \$304,000;
6. This agreement shall begin December 1, 2014, and extend through June 30, 2018, or until grant funds are exhausted unless earlier terminated in accordance with the agreement; and
7. The Council declares an emergency exists because a delay would prevent the City's and PSU's ability to perform the timed activities authorized by the grant award.

NOW, THEREFORE, the Council directs:

- a. The Mayor and City Auditor are hereby authorized to execute an Intergovernmental Agreement in a form similar to the agreement attached as Exhibit A.

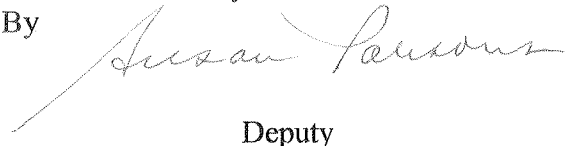

- b. The Chief of Police, or his authorized delegate, is hereby authorized to execute any subsequent amendments to this agreement, provided such agreements do not increase the City's financial obligation or risk. Any agreements or modifications that increase the City's financial obligation or risk must be authorized by the Portland City Council.

Section 2. The Council declares an emergency exists because a delay would prevent the City's and PSU's ability to perform the timed activities authorized by the grant award. Therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
