

**IMPACT STATEMENT**

**Legislation title:** \*Accept an Intergovernmental Grant Agreement with Metro of \$20,000 for the Deconstruction Assessment Pilot Project Phase II in Fiscal Year 2014-2016 (Ordinance

**Contact name:** Shawn Wood

**Contact phone:** 503-823-5468

**Purpose of proposed legislation and background information:**

To authorize an IGA that accepts funds from Metro to support a second phase of a pre-demolition deconstruction and salvage assessment tool to be offered to applicants of certain types of permits that involve significant demolition. The first phase of this project was approved by Ordinance #186551. The proposed legislation supports goals, policies, and actions in the Comprehensive Plan and Climate Action Plan.

**Financial and budgetary impacts:**

An additional \$20,000 of funds will be appropriated in the FY 2015-16 budget. The City is not required to commit any additional funds not already in the FY 2014-2015 and FY 2015-16 Adopted Budget for the City's Green Building program. No City match is required of these funds. The grant funds will be used to reimburse the Bureau of Planning and Sustainability and Bureau of Technology Service staff for Phase II development of web-based tool. City's acceptance of the grant funding will, in part, cover costs for an existing position at BPS and BTS and no new positions will be created, eliminated or reclassified in the current year as a result of this legislation.

**Community impacts and community involvement:**

This is routine authorization for grant acceptance for funds that have been received from Metro. The public is involved in the development of Metro's budget, as well as the plans that guide the work that is funded through this grant: the 2009 Climate Action and the 2008 Portland Recycles! plans. Following the successful completion of Phase II of the Deconstruction Assessment Pilot Project, the associated assessment tool will be available for public use.
