Purpose of proposed legislation and background information:

Multnomah County, the City of Gresham and the City of Portland desire to enter into agreements to provide financial support to Portland for taking lead responsibility for staffing and support for a quarterly multi-jurisdictional Fair Housing committee, and federal funding oversight committee, as well as lead the coordination and production of the new five year 2016-2021 Consolidated Plan, annual Action Plan fiscal year 2016-2017, Analysis of Impediments to Fair Housing, updates and other plans and performance reports as requested of the Consortium by HUD.

Financial and budgetary impacts:

Multnomah County and the City of Gresham have agreed to reimburse PHB \$3,400 and \$10,000, respectively in CBDG for FY 2015-2016 for coordination of the 2011-2016 Consolidated Plan Amendments, updated Analysis of Impediments to Fair Housing Action Plan, and Action Plans FY 2016-2017 and the new five year Consolidated Plan 2016-2021. These amounts were included in PHB's FY 2015-16 base budgets. These amounts are made annually for the annual Consolidated Plan activities. The City will not incur any additional costs. CDBG is the source of funding for the expenses of preparing the FY 2011-2016 Consolidated Plan Amendments, updating the Analysis of Impediments to Fair Housing Action Plan, and preparing the Action Plans FY 2016-2017 and the new five year FY 2016-2021 Consolidated Plan were included in PHB's base budget for FY 2015-16. This action does not change staffing.

Community impacts and community involvement:

Future public involvement is not anticipated for this item because there is already an agreement to accept the funds. The funds do contribute to public participation efforts to involve the public in the Consolidated Planning process and annual Action Plans. The public is invited through several annual hearings and quarterly Fair Housing Advocacy Committee meetings.
