Purpose of proposed legislation and background information:

This amendment is being proposed to allow for the use of funds from the Interstate Urban renewal Area to replace the roof of the Charles Jordan Community Center. ORS 457 requires that when urban renewal funds are used on a public building, the building must be identified in the urban renewal plan and the plan must show how the building serves and benefits the urban renewal area. The amendment section of the Interstate Urban Renewal Plan requires that the use of funds for public building be approved by resolution by the Portland Development Commission and by resolution by the Portland City Council.

Financial and budgetary impacts:

- There are no long-term financial impacts for the City on this action. The funds will be allocated out of the Portland Development Commission budget.
- Budget impacts: Funding for this project is included in the FY 2015-16 PDC Approved Budget.
- This legislation is related to implementation of an Intergovernmental Agreement between PDC and the Parks Bureau for FY 2015-16.

Community impacts and community involvement:

- Residents of North and Northeast Portland are impacted by this resolution as the Charles Jordan Community Center serves those areas. The reroofing of the community center will have a positive impact on the ability to use the facility, therefore positive impact on the residents in the area.
- The geographic area is within the Interstate Corridor Urban Renewal Area, serving both North and Northeast Portland.
- This projects contributes to city livability as it helps insure the ability of the Charles Jordan Community Center to continue operating without a leaking roof.
- The funding of the roof replacement is supported by the Portland Parks Bureau.
- There have been no concerns about the replacement of the roof.
- As this is an administrative matter, no testimony is anticipated.
