

ORDINANCE No. 187248

Authorize a contract with the lowest responsible bidder for the 20s Bikeway Project (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The 20s Bikeway Project will improve a major north-south bicycle route identified in the Portland Bicycle Master Plan for 2030, adopted by City Council in 2010 (Resolution No 36763).
2. In 2013, the Portland Bureau of Transportation (PBOT) received \$2,338,000 in federal grant funding from the Regional Flexible Funds Program to design and construct the project.
3. Additional funding for the project comes from PBOT's System Development Charge Program.
4. Project design is completed and now PBOT is proceeding with bidding the project for construction.
5. The Bureau of Transportation has funds budgeted in FY 15/16 for construction, inspection and management of the project.
6. The Bureau's level of confidence in the cost estimates for this project is moderate, as plans, specifications, and estimates are now completed and the project is ready for bidding.

NOW, THEREFORE, the Council directs:

- a. Upon the Council's acceptance of the Chief Procurement Officer's report recommending the lowest responsible bidder, the Chief Procurement Officer is authorized to negotiate and execute a contract, provided the contract has been approved as to form by the City Attorney's office.
- b. The Auditor to draw and deliver warrants chargeable to T00338 when demand is presented and approved by the proper authority.
