

Hello, Portland City Council, Mayor Hale,

I am Rev. Margaret Hepziban, a literal sent apostle commissioned by God Himself to speak His prophetic Voice, a help to our complex situations for the preservation, and progress of life, the quality thereof. We have many responsibilities in the stewardship of this land and people.

I read an article with regard to Mayor Hale's vision for his prospective next term, quality of life and commerce, employment, ending police brutality etc....and God chose to speak, Psalm 96:13, "Before the Lord, for He cometh, for He cometh to judge the earth; He shall judge the world with righteousness, and the people with His truth," (King James Bible). Three minutes in not nearly ample enough time to share more specifics, I hope to obtain an appointment to speak with the mayor or council representative more specifically.

I am also a graduate of Warner Pacific College and have a clear vision for preserving Christian rights, American culture, African Americans and overall this nation. I am an ambassador for God speaking to nations. I welcome any questions you may have for God. He has spoken toward the Pembina request, to the transportation system and the importance of regulatory agencies. With domestic and foreign terrorism at our brink, the inclusion of spiritual evaluations has become necessary in any of the varied disciplines within our lives as we are confronted with spiritualities daily should we be truthful to ourselves. I hope the prophetic can be included also in legal proceedings, since psychic phenomena is already.

General business in city life and personal concerns, I am sent and am a very humble, without agenda, a truly objective voice, with answers. Hate crimes, extrajudicial killings, organ donor trafficking by various authorities must be purged to make a way for divine intervention, averting sure spiritual judgments. Our enemies want these judgments, God and I want salvation and progress. I am not a hireling, and jeopardize my life for us. I understand your challenges and am here, sent to help us acquire truth and justice. Reform is needed not only in police departments, however in other governmental agencies, CIA, NSA, Secret Service, military, and other para military authorities.

Sincerely,

Rev. Margaret Hepziban

Ambassador of God to the United States of America

Good morning Rev. Margaret Hepziban,

Thank you for your email. You are confirmed to speak at Council on July 15th, 2015. I did want to mention, however, that our office has just received notice that Mayor Hales is going to be absent from Council on the 15th and I know his presence is important to you.

We do have a cancellation and therefore an opening on July 1st for a communication, and as far as we know the Mayor will be in attendance. Would you like to take this spot and switch your date to July 1st?

Please let me know.

Best regards,

**Maya Rinta**
