**Subject:** July 22nd communications time slot

Hello,

I'd like to take the open time slot at the July 22 city council meeting.

I don't have my statement fully worked out yet- I'll be working on it between now and then - but I plan to voice my concern about the growth in the population of people sleeping on our sidewalks and parks as well as the drug use, overdoses and assault taking place on our sidewalks and in our parks. I'll talk about:

- What I have witnessed and experienced
- What my neighbors have witnessed and experienced
- How these issues are impacting us personally
- How I believe these issues are undermining livability and the image of our city

Please let me know if this time slot is confirmed, if you need my exact statement prior to the meeting, and if I am allowed to bring a few powerpoint slides.

Thanks,  
Kristin Rose
