Presenter name: Lt. Jeff Kaer

Purpose of proposed legislation and background information:

On October 1, 2012 an Intergovernmental Agreement was entered into between the City of Portland (City) and Home Forward to provide patrol services at the New Columbia housing sites.

The New Columbia Community Policing Team emphasizes a community policing approach toward law enforcement, public safety, and community livability.

The New Columbia Community Policing Team program is the collaborative effort of Portland Police Bureau, Home Forward, Income Property Management (IPM), the Portland Office of Neighborhood Involvement, and Portland Public Schools.

The purpose of proposed legislation is to extend the term of the agreement with Home Forward through September 30th, 2017.

Financial and budgetary impacts:

Funding is from existing Police Bureau appropriation. In exchange for patrol services at the New Columbia housing sites Home Forward reimburses the cost of 50 percent of total assigned personnel reduced by \$2,500 per month or \$30,000 annually.

Community impacts and community involvement:

The officers assigned to the New Columbia Neighborhood detail act as liaisons between the residents and law enforcement. They work closely with the community, other officers, volunteers, social service providers, residents of the New Columbia and designated Home Forward properties employees. These officers will attend or facilitate partnership meetings; identify and coordinate the resolution of criminal and social issues utilizing available resources; and assist and participate with other city and county agencies in the organization and implementation of special events.
