

Your Last Chance to Help Decide the Future of Argay

The City of Portland Comprehensive Plan is the master development plan for the City for the next 20 years. Now being revised, it will determine how all of the yet to be developed land areas in Argay will be zoned and developed in the future. **Current City plans are for office buildings, warehouses, repair facilities, and more apartments to fill these areas. Single family homes like those now in Argay would not be allowed.** Your Argay Neighborhood Association disagrees and wants to see Argay continue as a family friendly neighborhood of primarily single family homes.

Under any plan, Argay's family farms can continue. Only when farming ends and new development takes place will the actual zoning direct how those lands will be developed. The City now plans to develop the corner of NE 122nd and Shaver be developed with office buildings (10 stories high) to the east and NE 147th and Sandy Blvd. to the west.

The Argay Neighborhood Association is holding a public hearing on March 11th at 7:00 PM at the Argay Community Center, 1900 SW 4th Avenue, Portland, OR 97201. For more information, contact Al Dolkar at 503-249-7100.

I am a resident of the Argay Neighborhood in East Portland.

I am among those residents who are requesting that all the vacant or undeveloped R-3 zoned land in the Argay Neighborhood be reclassified to R-5 or R-7 single-family residential, and the proposed Mixed Employment areas (Change Numbers 287, 288, 289 located at the SE corner of NE 122nd and Shaver and 290, located at the SW corner of NE 147th and Sandy Blvd.) also be reclassified to R-5 or R-7 single-family. Also, I support the City's similar change #688 along NE 148th Avenue north of I-84.

I want to keep Argay a family friendly neighborhood.
