

Dear Mayor Hales and Portland City Commissioners; 9/7/2015
Monday

Some Tigard cops are still shooting me with those microwave, ultrasound weapons, voice to skull weapons, Lida machine sleep deprivation, etc., 20-24 hours a day for more than three years remotely. They say they're still shooting my son too. Because of the number of hours a day and this length of time they shoot us, anyone would perceive that their intent is to murder us.

The suggestions you and your employees gave me about stopping these assaults, as I've said, are not the people who can do it. Independent Police Review, Project Respond, Portland Women's Crisis Line, City of Tigard (because the crooked Tigard cops dominate them), Tigard Police Dept. (the crooked ones won't let the other Tigard cops investigate them) Most have no authority to investigate and charge those Tigard cops (and my ex-Tigard neighbor lady who participates).

Because most of the assaults happen in Portland I can legally report it here. Many Portland cops including Sgt. McCormick, Commander Sara Westbrook are covering up for them and blocking my reports of evidence, facilitating these attempted murders, with no legal reason or justification.

You are the Police Commissioner, a higher level than the Police Chief Larry O'Dea, and you can make them, require them to do their job. But, unfortunately one or more of your City Attorneys and or employees has given you the very bad and negligent advice to not make those Portland Police do their legal duty to protect us

from this harassment, torture, incrimination, mutilation, and attempted murder.

A few months ago when I testified about this I gave the recorder copies of some websites of these weapons so you and the commissioners could know what they are.

Two or so testimonies ago, a few months ago, I gave a copy of some websites to the recorder about a meeting in 1994 at Johns Hopkins University with Janet Reno, Bill Clinton, D.O.J., ^{Dept of Justice} and the Pentagon describing that these kinds of weapons were being given from our military (Dept. of Defense) to local police to use on the people.

So, with this info. and my testimonies here you should have reason to know my claims of these assaults are true. I have many burns, scars, and deteriorated skin as evidence of these assaults also.

Perhaps we will have to discuss this in another venue since your employees have refused me several times of even having a 20 or 30 min private meeting with you to give you information so you will use your authority to stop some of those Portland Police from hindering prosecution, doing false arrests, obstruction of justice, suppression of evidence and facilitation of attempted murder.

There are hundreds of other targets of theirs in Portland, including kids. When done remotely, it (these weapons) go through the cell phone towers, they say, so you can't move away from this.

It is outrageous and it shocks the conscience that there are Portland Police officers and other City employees who participate in these crimes.

Sincerely,

Katherine Smith

**PORTLAND CITY COUNCIL
COMMUNICATION REQUEST
Wednesday Council Meeting 9:30 AM**

AUDITOR 07/17/15 AM 9:23

Council Meeting Date: SEPTEMBER 9, 2015

Today's Date July 17, 2015

Name Katherine A. Smith

Address mailing: 13500 SW. Pacific Hwy #178 Tigard, Oregon 97224

Telephone 503-935-5883 x5602 Email Katsmitt@yahoo.com

Reason for the request:

- I'm requesting that the mayor, Charlie Hales use his police Commissioner authority over Portland Police officers to make them due their legal duty to make some Tigard police officers and my ex-neighbor lady Tami Laursen who participates in this, to make these Tigard cops stop shooting me remotely with microwave weapons, voice to skull weapons, ultrasound weapons, Lidar machine sleep deprivation etc 20-24 hours a day, mainly in Portland, and they still tell me every day they shoot my son with these when he's sleeping to give him cancer. If you don't intervene Mayor, unfortunately you are criminally negligent in this matter. Those Tigard cops' intent is obviously to murder us because of (signed) the number of hours and more than 3 years (and before that) they've been shooting us with these. The mayor is facilitating these murders by not doing anything to make those Portland cops do their legal duty. There is a cover up to the public of these kinds of weapons. That's why those Portland cops (lots of them) keep doing attempted murder to us.
- Give your request in writing to the Council Clerk's office to schedule a date for your Communication. Use this form or email the information to the Council Clerk at the email address below.
Katherine A. Smith
 - You will be placed on the Wednesday official Council Agenda as a "Communication." Communications are the first item on the Agenda and are taken at 9:30 a.m. A total of five Communications may be scheduled. Individuals must schedule their own Communication.
 - You will have 3 minutes to speak and may also submit written testimony before or at the meeting. Communications allow the Council to hear issues that interest our citizens, but do not allow an opportunity for dialogue.

Thank you for being an active participant in your City government.
