Karla,

Thank you so very much for your help!!

We will be sure that the students names are to you before Sept. 17th and that parents have provided permission and that release forms are signed.

We will have 5 3 minute slots totaling 15 minutes and will allocate a certain amount of time to students not to exceed the 15 minutes. Probably, a total of 8-10 students. Hopefully, a photo can be taken with students and city leaders.

This appearance for students before City Council, is a great learning situation associated with Roosevelt's Homecoming activities!

Again, thank you so very much, Karla for all of your help!
