

ORDINANCE No. 187356 As Amended

* Authorize an Intergovernmental Agreement with TriMet for the purpose of providing transit police services (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Tri-County Metropolitan Transportation District of Oregon (TriMet) provides bus, light rail and commuter rail transit services in the Portland, Oregon, metro area.
2. The TriMet Transit Police Division provides transit policing services for the TriMet system.
3. The main priority of the TriMet Transit Police Division is not enforcement of fare requirements, but to provide safety and security services for the TriMet system.
4. TriMet established the Transit Equity Advisory Committee (TEAC) in 2013 to provide input and guidance to the TriMet General Manager on fairness and equity considerations. The TEAC is composed of representatives from communities of color, OPAL, Environmental Justice, the Multnomah Youth Commission, NAYA, and other community leaders. The TEAC is committed to consider impacts regarding race, economic status, houselessness and fare enforcement.
5. The Police Bureau currently manages TriMet Transit Police under Agreement No. 30001665, the "Prime Agreement" between the City and TriMet, which was effective July 1, 2010, as authorized by Ordinance 184038, passed by Council August 4, 2010, and will expire June 30, 2015.
6. The TriMet Transit Police Division includes sworn law-enforcement personnel from the City, City of Beaverton, City of Gresham, City of Hillsboro, Port of Portland, City of Tigard, City of Milwaukie, City of Tualatin, City of West Linn, City of Lake Oswego, City of Forest Grove, Oregon City, Multnomah County, Washington County and Clackamas County, which are provided under related subsidiary agreements.
7. The City wishes to enter into a new Prime Agreement with TriMet effective September 29, 2015 through June 30, 2020.
8. The Police Bureau will invoice TriMet monthly for all Transit Police Division personnel and services provided by Portland. TriMet agrees to compensate Portland within thirty (30) days of receiving the respective invoice.
9. The City will pay the salaries, overtime, insurance, retirement and other benefits of the Portland Police Bureau officers assigned to the Transit Police Division.
10. Concurrent with this Prime Agreement, intergovernmental agreements will be executed between the City, TriMet and each of the jurisdictions that provide transit police services.

11. Those intergovernmental agreements provide for direct reimbursement from TriMet to the jurisdiction that provides transit police services.
12. The City and TriMet should enter into this agreement prior to the expiration date of the current agreement to ensure the continued mutual benefit it will provide to the City, TriMet and the public.

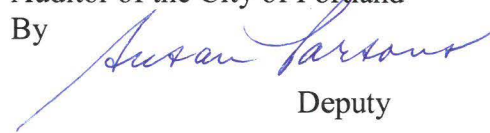

NOW, THEREFORE, the Council directs:

- a. The Mayor and Auditor are hereby authorized to enter into an agreement between the City of Portland and TriMet in a form similar to the agreement attached as Exhibit A.

Section 2. The Council declares an emergency exists because delay in proceeding with this agreement will unnecessarily deprive the City and TriMet of the mutual benefits of this agreement. Therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
