Name: BRIAN WONG
Address: 414 SE 83RD Ave
Testimony:

I am concerned that large lots with large buildings will further restrict pedestrian access to the neighborhood.

An existing example is between SE Hawthorne and SE Taylor Ct on the EAST SIDE of 82ND Ave. →

You will not receive a direct response about your testimony, but your testimony will become part of the legal record. If you wish to ask a question or make an comment to project staff, please fill out a Comment card or contact staff directly.

I would like to see CAMPS development with parking in the middle and pedestrian access through the campus - similar to SE PCC.
