Purpose of proposed legislation and background information:

Council is asked to authorize a grant agreement with Oregon Tradeswomen, Inc. in the amount of \$10,000. The City's commitment to the Beech and Gateway Parks Community Benefits Plans (CBP) is reflected by its setting aside direct funding for training, outreach and construction support for the Beech and Gateway Parks projects. Procurement Services will add the funding provided by Portland Parks & Recreation in order to aid outreach and recruitment efforts in the area of workforce training and hiring.

The use of these funding will be in alignment with the CBP focus with funds being spent for the construction of the Beech and Gateway Parks will go to the surrounding community in which each park is being built.

This project is unique because it supports a collaboration between the Bureau of Parks and Recreation and Procurement Services which will build the Workforce Training and Hiring effort on behalf of the Beech and Gateway Parks projects. Pre-apprenticeship training slots will be dedicated to East Portland residents including those referred by Human Solutions.

Financial and budgetary impacts:

The City of Portland, Procurement Services Division collects funds through its compliance-related activities to provide grant opportunities to organizations that provide recruitment and training for women, minority and student pre-apprentices to enter the construction trades. Funding for this action are provided through this program. Procurement Services will add these funds to those from Portland Parks and Recreation in order to aid outreach and recruitment efforts in the areas of workforce training and hiring.

There will be or no budgetary or financial impacts to this legislation.

This legislation will neither generate nor reduce revenue coming to the City.

No current positions will be affected and no positions will be created, eliminated, or re-classified as a result of this legislation.

Community impacts and community involvement:

This project will provide funds to Oregon Tradeswomen, Inc., in partnership with Constructing Hope and Human Solutions. In accordance with the Beech and Gateway Parks project CBP, the

Grantee will conduct outreach to the East Portland community, providing orientations around the construction trades. It will provide orientations and trainings; the partners will assist with identifying and setting up venues and events to reach East Portland residents.

The grant will support the enrollment into pre-apprenticeship training of East Portland residents, primarily low-income diverse women and men of color. Grantee will refer available and interested East Portland graduates to contractors or to their apprenticeship programs upon request.

The City’s commitment to the Beech and Gateway Parks Community Benefits Plans (CBP) is reflected by its setting aside direct funding for training, outreach and construction support for the Beech and Gateway Parks projects. In accordance with the CBP for each of the projects, the funding amounts must focus on workforce training and hiring with .75% of the funds being spent for the construction of the Beech and Gateway Parks going to the surrounding community in which the Park is being built.

No known persons or groups will be testifying.

No future public involvement is anticipated or necessary for this request.
