

RESOLUTION No. **37156**

Authorize the City Attorney to intervene on behalf of the City of Portland in Oregon Public Utility Commission Docket UE 300. (Resolution).

WHEREAS, the Oregon Public Utilities Commission, ("OPUC"), has opened an investigation into PGE's proposal to revise its tariffs for customer attachments to PGE facilities, responding to a request from the Oregon Department of Transportation that the Commission suspend the filing and set a hearing; and,

WHEREAS, PGE's proposed revisions include changes to how utility relocation requests will be treated, including proposed changes to the treatment of relocation costs related to public works projects; and,

WHEREAS, the proposed changes to PGE's tariff may significantly affect the City of Portland's ability to undertake and complete infrastructure projects; and,

WHEREAS, the City of Portland has authority under its charter to oversee the activities of utilities within its boundaries, and is also responsible for the orderly management of public rights-of-way within its boundaries; and,

WHEREAS, participation by the City as a party in this OPUC filing would permit the City to be informed of other parties' actions and comments in this proceeding, and to seek to influence the outcome of the proceeding for the benefit of the citizens of Portland and the City.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Portland, that the City Attorney is hereby authorized and directed to intervene on behalf of the City as a full party in Oregon Public Utility Commission proceeding UE 300, and such subsequent proceedings as may occur, to present the City's views and protect its interests as necessary:
