ARTICLE 1 - RECOGNITION

The City recognizes the Association as the sole and exclusive bargaining agent for the purposes of establishing salaries, wages, hours, and other conditions of employment for all commanding officers employed in the Police Bureau of the City of Portland, excluding confidential and supervisory employees as defined in ORS 243.650 (6) and (23). As used in this agreement, the terms "commanding officer" or "commanding officers" refer to any Lieutenant who is a member of the bargaining unit.

The parties agree that the ranking commanding officers assigned to the Personnel and Professional Standards Divisions are confidential and excluded. With the exception of Articles 30 and 31, these commanding officers shall receive all the benefits of this collective bargaining agreement. ~~It is also agreed that the Deputy Chief(s) and the Assistant Chief(s) positions are supervisory employees.~~

Intent: HOUSEKEEPING. Supervisory employee was defined in the unit clarification so this language is not needed, especially since these employees are not in the bargaining unit.

**This proposal was previously TAed on 4/24/15

EFFECTIVE UPON RATIFICATION BY CITY COUNCIL

ARTICLE 2 - JOB PROTECTIONS FOR EMPLOYEES/MANAGEMENT RIGHTS

A. ~~Temporary Assignment to a Higher Classification~~ Working out of Class

When a member within the bargaining unit is assigned temporarily to fulfill substantially all the duties and responsibilities of a higher classification for a period of ~~three-one (31) consecutive~~ days or more, the member shall be paid at the normal pay rate paid to an employee in the higher classification ~~retroactive to the beginning of the assignment. If more than one employee is used at different times to fill the same position of the higher class and the position is vacant for three~~ (3) consecutive days or more, the employees filling the position will be paid the higher rate for all time worked in the higher class (excluding regular days off). The rights of members temporarily assigned to a higher classification ~~working out of class~~ shall continue to be controlled by the collective bargaining agreement.

~~A commanding officer assuming the duties and responsibilities of Assistant Chief shall be paid at a rate of 4.1% above the Commander pay rate or the current rate for non-represented City employees whichever is greater.~~

~~When a member is assigned the duties and responsibilities of a higher classification, and the duties include being "on call" on a pager over the weekend, the weekend days "on call" will count toward the three (3) consecutive days for purposes of out of class pay.~~

~~(Example: Lt. Jones is made acting Commander of Central Precinct for Friday, Saturday and Sunday. Since Lt. Jones is "on call" with a pager on Saturday and Sunday, Lt. Jones will receive out of class Commander pay for Friday. Lt. Jones is not otherwise compensated for being "on call" Saturday or Sunday.)~~ Commanding officers assigned the duties and responsibilities of a higher classification for five or more calendar days are authorized, with the approval of their supervisor, to appoint an acting commanding Lieutenant.

B. Transfers

No bargaining unit member will be assigned positions of Assistant Chief ~~or Deputy Chief~~ unless the City has made a bona fide effort to secure a volunteer for the assignment.

C. Management Rights

1. General: The City shall exercise the sole responsibility for management of the City and the direction of its work force. To fulfill this responsibility, the rights of the City include but are not limited to: Establishing and directing activities of its employees; determining standards of service and methods of operation, including subcontracting and the introduction of new equipment; establishing procedures and standards for employment and promotions, layoffs, and transfers; to discipline or discharge for just cause; determine job descriptions; determine work schedules; assign work; assign City take-home cars and any other rights except as expressly limited by the terms of this agreement.

CITY OF PORTLAND - PPCOA MEDIATION
 CITY PACKAGE PROPOSAL
AS TENTATIVELY AGREED UPON BY THE PARTIES ON 9/21/15

2. Civil Service: Nothing in this agreement shall preclude the Personnel Director from exercising his or her authority to classify, or reclassify positions and to establish entrance and promotional examination requirements. Employees shall perform all work assigned that is reasonably within the scope and terms of the classification specification, though not specifically described therein.

D. Subcontracting

1. The City agrees to notify the President of the Association of any plan to contract out or subcontract any work now performed by employees covered by this agreement, before the plan is actually executed and subcontracting has been done.
2. Before the City contracts out or subcontracts work now performed by employees covered by this agreement, the City agrees to meet with the Association, at its request, to discuss the effect of the contracting out plan involved and to explore possibilities which might exist for reducing the impact, if any, on employees covered by this agreement.

E. Civilianization

When the City is contemplating civilianizing a position, it shall provide the Association with thirty (30) days' notice of its intent to civilianize. The City shall provide the Association with all materials developed supporting the decision to civilianize the position, and any additional materials requested by the Association to evaluate the economic feasibility of the change in status of the position. If requested by the Association, the City and the Association shall meet to discuss alternatives to civilianization. The City retains the discretion to either partially or completely implement the civilianization, or to retain the position in sworn status.

Intent:

Article 2.A: Clarify that this article is about working out of class (not temp appointments). Current language is confusing as it uses the term "temporarily assigned."

City agrees to change the length of time a member must work before receiving WOC pay from three consecutive days to one day as part of its package proposal.

Article 2.A, paragraph 2: this language ("current rate for non-represented City employees...") does not apply to someone working out of class as an Assistant Chief. SAP is programmed to pay 4.1% above Commander.

Article 2.B: HOUSEKEEPING. Deputy Chief is no longer used.

EFFECTIVE UPON RATIFICATION BY CITY COUNCIL.

ARTICLE 15 - HEALTH AND WELFARE

A. Labor/Management Benefits Committee

1. The parties agree to the continuation of the City-wide Labor/Management Benefits committee. The committee will consist of fourteen (14) City employees~~members~~. One City employee member shall be appointed from each of the following labor organizations: the District Council of Trade Unions (DCTU), the Portland Fire Fighters' Association (PFFA), the City of Portland Professional Employees Association (COPPEA), AFSCME, Local 189 representing Emergency Communications Operators (BOEC), Municipal Employees, Local 483 representing Recreation Instructors (Recreation), the Portland Police Commanding Officers Association (PPCOA), and AFSCME Local 189 representing the Housing Bureau. The remaining seven members shall be appointed by the City.
2. A quorum of twelve (12) voting members is required for the committee to take action. An absent committee member may designate a substitute with full voting authority or designate another committee member as proxy to vote on the absent committee member's behalf. Any committee member may invite one or more visitors to attend committee meetings.
3. The committee shall select its chairperson, who shall serve at the will of the committee.
4. In order to make a recommendation to the City Council, at least twelve (12) committee members must vote in favor of the recommendation. The committee shall be responsible for establishing internal committee voting and decision-making processes.
5. Members of the committee shall be allowed to attend committee meetings on on-duty time. In the event meetings are scheduled outside the regular shift hours of a committee member, the City shall make every effort to adjust the shift of the member to allow the member to attend while on duty.
6. The committee shall meet at least quarterly, and shall make written recommendations regarding plan design changes in the employee benefits program to the City Council no later than April 1st of each year.
7. The City Council shall retain the discretion to implement or reject any of the committee's recommendations. In the event the committee makes a recommendation that is consistent with the committee's authority, is actuarially sound and meets all the requirements of federal, state and local laws, and Council rejects the recommendation, any reductions in plan costs that may have occurred due to the change in plan design, will be treated as having occurred for the purposes of calculating the maximum City contribution under this agreement. These costs will be calculated by evaluating the premiums and/or rates as if the changes had occurred, the rates and/or premiums absent the changes and the number of participants under the plan(s) involved. (For example, if the self-insured plan two party rate would be \$298 per employee per month with the addition of a benefit design change "X", but Council rejects the design change and therefore the two-party rate is \$350 per month per employee, the City

CITY OF PORTLAND – PPCOA MEDIATION
 CITY PACKAGE PROPOSAL

contribution will be increased \$52 per month per employee on the self-insured plan to give credit for the change.)

B. Benefits Eligibility

1. The City offers healthcare benefits to regularly appointed full-time and part-time employees and their qualified dependents. The plan is administered in compliance with all applicable federal, state, and local laws, statutes, and rules.

2. Permanent-Regular full-time employees shall be eligible for medical, dental, vision and life insurance coverage the first of the month following thirty (30) days of eligible service. Medical, dental, vision and life insurance benefits will be paid at 100% of the City contribution for those employees who have a Standard Hours designation of at least seventy-two (72) hours in a pay period in a benefits eligible, budgeted position.

23. Permanent-Regular part-time employees will be eligible for medical, dental, vision and life insurance coverage the first of the month following 174 hours of eligible service. Medical, dental, vision and life insurance benefits will be paid at 50% of the City contribution for any permanent-regular employee who has a Standard Hours designation of at least forty (40) hours but less than seventy-two (72) hours in a pay period in a benefits eligible, budgeted position.

4. Medical, dental, vision and life insurance benefits may be denied to employees who are in a pay status for less than eighty (80) hours during a calendar month by the withholding of City-paid premiums for the subsequent month.

2. The term “excess reserves”, as used in this agreement, shall be defined as the monies in the Health Fund that are not needed to meet fund obligations. Excess reserves shall remain in the Health Fund, but shall be subject to separate reporting to the committee.

The City agrees to continue the City contribution for the spouse and dependent children until the spouse becomes eligible for federal Medicare coverage or remarries and for each dependent child to the age which meets the eligibility requirements of the health plan in which they are enrolled.

The promise of the City to provide-offer insured plans is dependent upon the continuing availability of such plans from an insurance carrier and the qualification by the retired employee

with the plan while the retiree was employed with the City. Should an insurance carrier terminate the plan, the City shall attempt to replace it.

H.G. **Life Insurance**

CITY PACKAGE PROPOSAL
AS TENTATIVELY AGREED UPON BY THE PARTIES 9/21/15

Intent of changes:

The intent of the substantive changes at subsections D. and E. reflect the values of the LMBC and City Council to develop an incentive style health plan that places importance on maintaining a relationship with a primary health care provider. The City's position is that requiring employees to receive a preventive health examination once every two (2) calendar years in order to retain the City's contribution of 95% toward the health care premium cost for each full-time employee who elects the Self-Insured or the Kaiser Plan has the most potential impact for employees when health issues arise. The City will not require employees who elect the HDHP to have a preventive health examination in order to retain the City's contribution of 100% for medical and vision care because of the high risk the employee is taking that the employee will not have any major health issues.

Domestic partner language is removed because marriage equality is available, and offering health insurance to domestic partners creates a huge cost in taxes, both for the City and for the individual who elects such coverage.

HOUSEKEEPING: Change terminology from "permanent" to "regular" or "regularly appointed" as this is how employee status is coded in SAP.

EFFECTIVE DATES AS ESTABLISHED IN THE LANGUAGE OF THIS ARTICLE.

ARTICLE 19 - HOLIDAY COMPENSATION

Commanding officers shall receive eleven (11) holidays per year. Seven (7) of the holidays shall be personal holidays to be taken at the mutual convenience of the commanding officer and the City. The remaining four (4) holidays shall be New Year's Day, Independence Day, Thanksgiving and Christmas, and shall be recognized and observed as guaranteed paid holidays. Holidays will be observed on the following dates:

<u>Holidays</u>	<u>2015</u>	<u>2016</u>	<u>2017</u>	<u>2018</u>
<u>New Year's Day</u>		<u>January 1</u>	<u>January 2</u>	<u>January 1</u>
<u>Independence Day</u>		<u>July 4</u>	<u>July 4</u>	<u>July 4</u>
<u>Thanksgiving Day</u>	<u>November 26</u>	<u>November 24</u>	<u>November 23</u>	<u>November 22</u>
<u>Christmas Day</u>	<u>December 25</u>	<u>December 25</u>	<u>December 25</u>	<u>December 25</u>

Personal holidays which have not been used during the calendar year in which they accrue shall be forfeited.

Commanding officers shall not normally be scheduled to work on any of the four (4) designated holidays. If a commanding officer is ordered to work on one of the designated holidays, he/she shall receive premium compensation of time and one-half in addition to regular pay.

A commanding officer whose scheduled day off falls on one of the four (4) designated holidays shall receive a postponed holiday, with pay, to be taken at the mutual convenience of the commanding officer and the City. The number of hours credited to the commanding officer's account will be determined by the regular shift he/she was assigned to on the day before and the day after the holiday. For example, a commanding officer working an 8-hour shift shall receive eight (8) hours of holiday pay versus a commanding officer who normally works 10-hour shifts who shall receive ten (10) hours of holiday pay.

Eligibility for holiday pay under the preceding paragraph is contingent upon the commanding officer being in pay status on the work day preceding the designated holiday and on the work day following the holiday.

~~Compensatory time off for work on a designated holiday accrued under this section prior to the effective date of this labor agreement shall be used by June 30, 2015. Any accrued compensatory time remaining after June 30, 2015 shall be forfeited. Upon termination from service for any reason, or in the event of death, the commanding officer, or his or her heirs, shall be entitled to an immediate lump sum payment for compensatory time accrued under this section.~~

Intent: 1. Remove comp time language as no comp time will remain after 6/30/15. 2. Clarify dates of observed holidays.

EFFECTIVE UPON RATIFICATION BY CITY COUNCIL.

 CITY PACKAGE PROPOSAL

ARTICLE 26 – PROFESSIONAL DEVELOPMENT

The Association and the City mutually recognize the benefit of professional development for members of the Association. To accomplish this:

1. ~~1.~~—The City shall provide a Professional Development Fund in the amount of \$30,000 each fiscal year. Funds from this account not expended in a budget year shall be added to the next budget year's appropriation. Funds from this account ~~may be used by a commanding officer for any of the following:~~ shall be allocated as follows:
60% of the \$30,000 annual amount shall be allocated towards job-related professional development seminars, classes, conferences, and their associated expenses.
A minimum of 40% of the \$30,000 annual amount shall be allocated towards education costs for pre-approved college credit toward a degree program, earned at an accredited college or university.

~~1.2.~~ Funds may be used for any of the following:

- a. Fees and/or tuition to professional development seminars, classes and conferences.
- b. Travel, per diem, and other expenses associated with attendance at professional development seminars, classes and conferences.
- c. Books, tapes and videos that may assist the commanding officer in his/her professional development.
- d. Membership dues or fees for work-related professional or civic organizations.

~~23.~~ Scheduling of attendance at professional development seminars, classes and conferences that are more than eight (8) hours in duration shall be at the mutual convenience of the City and the commanding officer. The time spent in attending these seminars, classes and conferences including necessary travel time, shall not be charged against the commanding officer's accrued time in any leave category. The City agrees to facilitate a commanding officer's attendance and to not use the "mutual agreement" provision as a method of controlling expenditures.

~~34.~~ The administration of the fund shall be the responsibility of a three (3) member Professional Development Committee. Two (2) members of the Professional Development Committee shall be appointed by the PPCOA and one (1) member by the Chief of Police or the Chief's designee.

5. Education Premium. A member holding a bachelor's degree from an accredited college or university shall receive a premium of two percent (2%) Top Step Lieutenant wage, paid in equal installments each pay period, as an Education Premium. A member holding a master's degree or doctoral degree from an accredited college or university shall receive a premium of three percent (3%) Top Step Lieutenant wage, paid in equal installments each pay period, as an Education Premium.

Intent: The Police Bureau wishes to incentivize employees to obtain advanced degrees.

1. City will continue to provide the Professional Development Fund at the previous rate of \$30,000 annually, despite the fact that the number of bargaining unit members has decreased.
2. The 60/40 split of Professional Development Funds is meant to apply to all moneys in the fund. The current "bucket" of money will be split 60/40, and each year the \$30,000 allocation will be split 60/40. Members may use funds in excess of 40% for higher education. Members may use funds in excess of 60% for conferences and seminars with the approval of the Chief of Police or his designee.
3. Currently the PPCOA has no provision for an education premium. This new premium is proposed as further incentive towards obtaining advanced degrees.

PARAGRAPH 5: 2% OR 3% EDUCATION PREMIUM EFFECTIVE UPON RATIFICATION BY THE UNION.

ALL OTHER PROVISIONS EFFECTIVE UPON RATIFICATION BY CITY COUNCIL.

ARTICLE 29 - EMPLOYMENT RIGHTS

A. All commanding officers within the bargaining unit shall be entitled to the protection of what shall hereafter be termed as the "Portland Police Members' Bill of Rights". The wide ranging powers and duties given to the Bureau and its members on and off duty involve them in all manner of contacts and relationships with the public and other Bureau members. Of these contacts come many questions concerning the action of members. These questions often require investigation by superior members and/or the Internal Affairs Division. In an effort to insure that these investigations, including EEO inquiries, are conducted in a manner that is conducive to good order and discipline, the following guidelines are promulgated:

1. Except as otherwise provided, the procedures contained in this section apply only to non-criminal investigations which may reasonably result in the discipline of the officer.

~~B. Advance Notice~~

~~Prior to being interviewed regarding an IAD or EEO investigation for any reason which could lead to disciplinary action, an employee shall be:~~

- ~~1. Informed of the nature of the investigation and whether he/she is a witness or a suspect, if and when known; informed of other information necessary to reasonably apprise him/her of the nature of the allegations of the complaint. Such information shall be provided in a reasonable period of time following its receipt by the City.~~
- ~~2. Afforded an opportunity and facilities to contact and consult privately with an attorney of his/her choosing and/or a representative of the Association.~~
- ~~3. Whenever delay in conducting the interview will not jeopardize the successful accomplishment of the investigation or when criminal culpability is not at issue, advance notice shall be given the member not less than forty-eight (48) hours before the initial interview commences or written reports are required from the member.~~

B. Interview Notice

Prior to being interviewed regarding an IAD or EEO investigation for any reason which could lead to disciplinary action, an employee shall be:

1. Informed of the nature of the investigation and whether he/she is a witness or a suspect, if and when known; informed of other information necessary to reasonable apprise him/her of the nature of the allegations of the complaint. Such information shall be provided in a reasonable period of time following its receipt by the City.
2. Afforded an opportunity and facilities to contact and consult privately with an attorney of his/her choosing and/or a representative of the Association, provided this does not delay the investigation.

C. Interview Safeguards

1. Any interview of a commanding officer shall be when the member is on duty unless the seriousness of the investigation dictates otherwise.
2. Interviews shall take place at a Portland Police Station facility, or elsewhere if mutually agreed, unless the emergency of the situation necessitates otherwise.
3. The commanding officer may have an Association representative present to witness the interview provided the representative does not participate in the interview. However, the interview may not be unduly delayed awaiting an unavailable Association representative when other Association representatives are available.
4. The commanding officer being interviewed shall be informed of the name, rank, and command of the member in charge of the investigation, the interviewing member, and all other persons present during the interview.
5. Interviews shall be done under circumstances devoid of intimidation or coercion and shall not otherwise violate the member's Constitutional Rights. The commanding officer member shall not be subjected to abusive language. No promise of reward shall be made as an inducement to answer questions.
6. Interviews shall not be overly long. The commanding officer shall be entitled to such reasonable intermissions as he/she shall request for personal necessities, telephone calls, and rest periods, with one ten (10) minute intermission every hour, if he/she requests.
7. All interviews shall be limited in scope to activities, circumstances, events, conduct or acts which pertain to the subject investigation.
8. The complete interview of the commanding officer, noting all recess periods, shall be recorded and the commanding officer upon request will be provided a copy of the recording, or he/she may also record the interview at his/her own expense. If the interviewed commanding officer is subsequently charged and any part of any recording of the interview is transcribed by the Bureau, the commanding officer shall be given a complimentary copy thereof.
9. Interviews and investigations shall be concluded with no unreasonable delay.

D. When the Investigation Results in Charges Being Filed

1. The commanding officer, upon request, will be furnished with a copy of all materials developed in the investigation that will contain all material facts of the matter. Such materials will be provided no later than seven (7) days prior to the commanding officer's due process meeting, and shall include any transcripts the City has prepared of recorded interviews. The obligation to disclose information to the officer under this section shall not apply to information required to be maintained as confidential under federal or state law.

AS TENTATIVELY AGREED UPON BY THE PARTIES 9/21/15

2. Unless prohibited by state law protecting the identity of whistleblowers, the commanding officer will be furnished with the names of all witnesses and complainants who will appear against him/her and/or whose statements will be used against him/her.

E. When Disciplinary Action Results

1. When the investigation results in a determination of a sustained complaint and disciplinary action, only the findings and the disciplinary order may be placed in the commanding officer's Personnel and "201" files.
2. No dismissal, demotion or other punitive measure shall be taken against a commanding officer unless he/she is notified of the action and the reason(s) therefore prior to the effective date of such action.

F. Personal Information

No commanding officer shall be required for purposes of assignment or other personnel action to disclose any item of his/her property income, assets, source of income, or personal or domestic expenditures (including those of any member of his/her family), unless such information is obtained under proper legal procedures, or tends to indicate a conflict of interest with respect to the performance of his/her official duties, or is needed to substantiate a commanding officer's claim of financial hardship in applying for permission to engage in extra employment.

ARTICLE 33 - EXECUTIVE LEAVE/MANAGEMENT LEAVE/FLEX TIME

The parties acknowledge that a variety of paid leave practices, under a variety of labels, related to members' having or being granted time off in exchange for time worked in excess of the directed work day have been allowed prior to and since recognition of this bargaining unit.

The parties agree that except as expressly provided below, no form or practice of Executive Leave, Management Leave, Flex Time, or any other form of compensatory time off or leave, whether known or unknown to the Chief of Police or the Bureau of Human Resources, is prospectively authorized or allowed, and all grievances, Unfair Labor Complaint allegations, and other claims are hereby waived and released.
