Name (Alphabetical)	Description	Estimated Grant Requests
Flanders City Greenway	Build an active transportation bridge over I-405 and other improvements to provide a much needed east-west walking and bicycling route connecting the dense NW neighborhoods to the Waterfront and Steel bridge, while also relieving congestion on parallel arterial streets and improving vehicle access to and from the interstate freeway system.	\$2,500,000
Naito Crossing	Improve the safety of a Naito Parkway Crossing, providing a major central city connection between Flanders to the Steel Bridge and Waterfront Park.	\$500,000
Red Electric Trail	This project will complete a section of the regionally significant Red Electric Trail and will provide connections to several schools, parks, libraries, community centers, and natural areas.	\$609,000
Streetcar Vehcile Purchase	Cost-effective purchase of three used Streetcar Vehicles from the City of Seattle - three vehicles for the price of one new vehicle - will allow Streetcar to maintain reliable travel times, support the planned growth in ridership, while reducing drive alone trips, and support an aging population.	\$3,350,000
