

ORDINANCE No.

187453

*Authorize a contract with ALS Group USA Corp. dba ALS Environmental for laboratory services as needed in an amount not to exceed \$1,500,000 over five years (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Bureau of Environmental Services (BES), Water Pollution Control Laboratory (WPCL) requires environmental analytical services on an as-needed basis for analyses for which the WPCL does not have the proper instrumentation and/or expertise, or workload exceeds WPCL capacity.
2. The outside laboratory services are time sensitive and are a regulatory requirement of the City's wastewater, storm water, and underground injection control permits, and failure to provide such services may expose the City to stipulated penalties under the terms of said permits.
3. A consultant selection process was conducted for these services (RFP BES118) in accordance with Chapter 5.68 of the Code of the City of Portland. ALS Environmental was selected as the highest-scoring respondent.
4. There is no M/W/ESB participation on this contract.
5. The established cost is not to exceed \$1,500,000 for the five-year term of the contract. Funds are available in the Sewer System Operating Fund, FY 2015-2016 Budget, Bureau of Environmental Services, WBS No. ESPP000011, Account No. 521000.

NOW, THEREFORE, the Council directs:

- a. The Commissioner in Charge is authorized to execute a contract with ALS Group USA Corp. dba ALS Environmental for the purpose described in Section 1, in the not-to-exceed amount of \$1,500,000.
- b. The Mayor and Auditor are hereby authorized to draw and deliver warrants chargeable to the Sewer System Operating Fund budget when demand is presented and approved by the proper authority.

Section 2. The Council declares that an emergency exists because delay would impair the City's ability to complete analytical work required by its various environmental permits, exposing the City to stipulated penalties. Therefore, this ordinance shall be in full force and effect from and after its passage by the Council.

Passed by the Council,
Commissioner Nick Fish
