

ORDINANCE NO. 187474

* Authorize application to Oregon Department of Environmental Quality for a grant in the amount of \$50,000 for funding the existing Deconstruction Grant Program managed by the Bureau of Planning and Sustainability. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Oregon Department of Environmental Quality (DEQ) has established a Materials Management Projects Grant Program for the purpose of supporting efforts that reduce pollution and conserve resources across the full lifecycle of materials.
2. In June of 2015, Portland City Council supported a recommendation from the Bureau of Planning and Sustainability to establish a grant program to foster deconstruction and salvage as an alternative to traditional mechanical demolition. The Deconstruction Grant Program is currently operational and accepting applications.
3. Additional funds from DEQ would supplement the existing Deconstruction Grant Program, resulting in additional projects and increased opportunities to promote deconstruction, build capacity within the industry, and inform future deconstruction policy.
3. Local match in the amount of \$50,000 is included in the FY 2015-16 Bureau of Planning and Sustainability Revised Budget, funded by the Solid Waste Management Fund Reserves.

NOW THEREFORE, The Council directs:

- a. The Mayor is hereby authorized to make application to the DEQ for a grant in the amount of \$50,000, Exhibit A.
- b. The Mayor is authorized to provide such information and assurances as are required for the grant period.
- c. The OMF Grants Office is authorized to perform all administrative matters in relation to the grant application, grant agreement or amendments, requests for reimbursement from the grantor, and to submit required online grant documents on the Mayor's behalf.

Section 2. The Council declares that an emergency exists because the grant must be accepted no later than December 14, 2015. Therefore this ordinance shall be in full force and effect from and after its passage by the Council.

Passed by the Council: DEC 02 2015
