Dear Mr. Arruda:

I am writing to inform you that the Sellwood-Moreland Improvement League (SMILE) voted at a Special Board Meeting December 9, 2015, not to object to the requested Street Vacation on a strip of City-owned land on the east side of SE Grand Avenue (RWA 7790). The vote was six members who had no objection to the request, three wishing to object, and one abstention.

Thank you for the notice to testify at the December 15 hearing on this matter. Given our lack of objection to RWA 7790, we will not be sending any representatives from our board.

Sincerely,

Corinne Stefanick
SMILE President
