

R2DToo Vicinity Services Warning

R2DToo is an organization that advocates the rights of houseless, and helps those in need on the streets. In order to bring these services to this population, we have a Neighborhood Agreement we are to adhere to.

We are asking for your solidarity by not congregating the vicinity around and down the Rest Area block, pillars, door area and across the street from our gates. Although we do understand that sidewalks are public use areas, and everyone has a right to them, our goal is to show that houseless people can self govern, organize and work in solidarity with others.

So, as of Mon., Nov. 9th, and if you are not in solidarity with our goals and message, our services will not be available to those remaining. This includes coming in on overnight/day status, rest room, food/other.

If you would like to regain services, please let security know that

you are vacating for 24hrs to regain you status. **Solidarity!**
