

RESOLUTION No. 37186

Authorize the Portland Bureau of Transportation to submit an application to Smart Cities Challenge grant to the U.S. Department of Transportation to implement a Mobility Marketplace (Resolution)

WHEREAS, the City of Portland is poised for a smart city transformation - a paradigm shift in our transportation system; and

WHEREAS, together with our partners, Portland will implement a Mobility Marketplace that seamlessly connects users with mobility options and unleashes innovative solutions to address the City's most pressing challenges and highest priorities: unprecedented growth, equity, and climate change; and

WHEREAS, the US Department of Transportation (USDOT) has issued a Notice of Funding Opportunity for cities of Portland's size to implement Smart City strategies to address climate change, integrate new technologies, make our streets safer, and provide opportunity to underserved communities; and

WHEREAS, since this funding notice was released in December 2015, the Portland Bureau of Transportation (PBOT) has been working with its partners to respond with an application due February 4th, 2016; and

WHEREAS, building off existing infrastructure and success, we stand ready to not only implement a paradigm shift at home, but also to collaborate with USDOT and private industry to export success and spur action by other cities - further enhancing value creation and lowering greenhouse gas (GHG) emissions; and

WHEREAS, PBOT hopes to continue to Phase II of the application process where the City will refine the technical aspects of its application; and

WHEREAS, the US Department of Transportation (USDOT) has issued a Notice of Funding Opportunity for cities of Portland's size to implement Smart City strategies to address climate change, integrate new technologies, make our streets safer, and provide opportunity to underserved communities; and

NOW, THEREFORE, BE IT RESOLVED, that the Portland City Council authorizes PBOT to submit an application to the USDOT by February 4, 2016.

Adopted by the Council,

FEB 03 2016

Commissioner Steve Novick
