

## IMPACT STATEMENT

**Legislation title:** \* Apply for a grant from the Oregon Office of Emergency Management in the amount of \$30,000 for the implementation of a damage assessment tool (Collector) for the City of Portland. (Ordinance).

**Contact name:** Courtney Patterson

**Contact phone:** 503-823-3738

### **Purpose of proposed legislation and background information:**

This ordinance applies for a grant from the Oregon Office of Emergency Management. The money will be used to improve the usability of the Collector application for rapid building assessments post disaster.

Previous testing of the Collector application has shown it is easy to use, quick to learn and provides accurate, easy to visualize information for planners and decision makers responding to a disaster. PBEM and many other City bureaus endorse Collector and its interface with WebEOC.

### **Financial and budgetary impacts:**

- Long-term financial impacts – There are no long term financial impacts. The total amount of the grant is \$30,000. There is no required match contribution.
- Change in cost – This ordinance is not authorizing any additional spending by the City of Portland.
- Change in current and future revenues and expenses - This ordinance is in the form of an application for \$30,000 from the Oregon State of Emergency Management.
- Current and future staffing levels – This ordinance does not affect staffing.
- Financial agreements – There are no intergovernmental agreements or contracts associated with this ordinance.

### **Community impacts and community involvement:**

Discuss the impacts of the legislation relating to all of the following if relevant. Describe who is impacted, how they are impacted, how any negative impacts have been addressed, and how the benefits are distributed. Describe how public involvement and input shaped the bureau's recommended action.

- Geographic area - the City of Portland and its environs.
- City livability - Supports disaster response capabilities across the City of Portland and improves life and safety outcomes in the case of a disaster.
- Objections/concerns, support/agreement - NA
- Describe how the bureau responded to or incorporated the concerns into the proposed legislation - NA
- Indicate who/which groups will be testifying - This item is on Emergency Consent Agenda; however Courtney Patterson will be in the audience to answer questions if needed.
