**Subject:** RE: TSP Update - Map Error

Hi Elaine,

Thanks for bringing this error to our attention. We will correct the map before the next TSP draft is released.

**Subject:** TSP Update - Map Error

I've been reviewing the Transportation Plan Update, and have discovered an error in one of the maps, specifically Section 7: Street Design Classification Maps, grid D3 on page 31. The map labels the primary north/south route as SE 17th Avenue. This is incorrect. Although the route begins as SE 17th Avenue at the county line, it swerves west at SE Spokane and becomes SE Milwaukie Avenue. SE 17th is residential north of SE Spokane; SE Milwaukie is primarily commercial and the main route through the neighborhood.

The line on the map correctly shows SE Milwaukie as the intended Neighborhood Main Street, but the label is incorrect. Please correct the map to avoid confusion now and for years to come. BTW, the online version of the map is correctly labeled as SE Milwaukie. Thank you for your attention to this matter.
