

PETITION TO THE MAYOR OF PORTLAND AND THE PORTLAND CITY COUNCIL

We the undersigned ask that the Mayor of Portland and the Portland City Council DO NOT vacate Ivy Island and the Lombard Slip in favor of the Fahid Development. Ivy Island and the Lombard Slip are a traditional and lovely entrance into the St Johns Business District. The new project at the corner of N. Richmond and N. Lombard will be out of character with St Johns and is not by design or in spirit in accordance with the St Johns Lombard Plan. For these reasons we ask that the City Property NOT be vacated.

PETITION TO THE MAYOR OF PORTLAND AND THE PORTLAND CITY COUNCIL

We the undersigned ask that the Mayor of Portland and the Portland City Council DO NOT vacate Ivy Island and the Lombard Slip in favor of the Fahid Development. Ivy Island and the Lombard Slip are a traditional and lovely entrance into the St Johns Business District. The new project at the corner of N. Richmond and N. Lombard will be out of character with St Johns and is not by design or in spirit in accordance with the St Johns Lombard Plan. For these reasons we ask that the City Property NOT be vacated.
