Subject: traffic questions = March 16 Communication

Hi Susan,

I live very close to Foster Blvd on 60th ave. There are two issues I wanted to ask about. Mainly I wanted to ask why changing the busiest road in this area from two lanes down to one lane, is even being considered. I would like to suggest that some kind of phone survey or some other way to find out what people in this area think of the idea might be done. I really don't think most people know anything about it, and that I am fairly sure that 90% of the area residents would not think it is a good idea.

Secondly, a change in the traffic signal/cross walk signal at 62nd and Foster/Holgate was done a few years ago, and I wanted to explain what effect that has on traffic during the late afternoon outbound on Holgate.

Thank you for helping to arrange this opportunity to address the city council.
