In a public meeting on June 2, 2015, the Allocation Committee of the Children's Levy allocated up to \$500,000 to provide training, technical assistance, and quality improvement services to grantee agencies who provide services to children and their families residing in the City of Portland. Funds for this intergovernmental agreement are included in the current Portland Children's Levy budget.

### **Community impacts and community involvement:**

This agreement provides training to improve the quality of services provided by nonprofit agencies receiving fund from the Portland Children's Levy. These services are primarily provided for the benefit of low-income children and their families who live in the City of Portland.
