I would like to request one of the 3 minute times set aside for community members to present to the council.

I am Dana Clark and Chair of a multi club committee, Rotary End Sex Trafficking Now.

My Rotary Committee is sponsoring a More Than A Survivor Photo Exhibit to begin in the City Hall Atrium On Monday, May 9. With a kick-off Tues., May 10 from 1-3 pm.

The exhibit will move to PSU for a week and then onto PCC Cascade campus followed by two weeks at Clackamas Town Center.

At each venue we will have a community event to educate the public, raise awareness and encourage community members to take action. The exhibit honors the survivor leaders featured for their diversity, beauty, strength and accomplishments and celebrates their present and their future. The exhibition is a powerful antidote to the stereotypes of commercially sexually exploited and trafficked victims perpetually broken and forever limited by their trauma.

This traveling exhibition from GEMS (Girls Educational and Mentoring Services) in NYC is also designed to be a poster series that will be utilized by youth serving agencies to inspire a tangible sense of hope and future for commercially sexually exploited and trafficked girls and women.

Johns must be educated that these children are coerced, beaten and abused into submitting to have paid sex with them.

We want to change the culture of citizens who believe the youth on our streets are there willingly BUT will learn to view them as the victims that they are of a trafficker and report suspected trafficking.

Thank you for your time and we hope to see you at one or more event . . . on behalf of Rotarians in the Rotary Clubs of Albina, Central East, SE Portland and my home club East Portland.

Thank you,

DANA
