

## IMPACT STATEMENT

**Legislation title:** \* Accept a grant in the amount of \$140,000 and appropriate \$33,750 for FY 2015-16 from the Oregon Department of Justice and the Oregon High Intensity Drug Trafficking Areas program for sworn personnel overtime and program expenses for Portland interdiction efforts (Ordinance)

**Contact name:** Captain Mark Kruger, PPB Drugs & Vice Division

**Contact phone:** 503-823-0240

**Presenter name:** Captain Mark Kruger

**Purpose of proposed legislation and background information:**

The Oregon Department of Justice (ODOJ) HIDTA has notified the City that it will award a grant to the Police Bureau Drugs and Vice Division in the amount of \$140,000. The grant period is January 1, 2016, through December 31, 2017.

The mission of the HIDTA Initiative is the interdiction of illegal drugs and drug proceeds being transported to, from, and through the Oregon HIDTA Region. The goal is to reduce drug availability by coordinating federal, state, and local law enforcement agencies by targeting drug trafficking and drug trafficking proceeds.

The Police Bureau Drugs and Vice Division's investigative efforts identify and disrupt or dismantle drug trafficking organizations operating in or from neighborhoods in all parts of the city of Portland.

**Financial and budgetary impacts:**

ODOJ HIDTA has notified the City that it will reimburse the City a maximum of \$140,000 for investigative overtime and approved program expenses.

The City will incur fringe and benefits payroll expenses related to sworn overtime and fuel expenses for the three leased vehicles reimbursed by the grant. The expenses will be provided by funds from FY 2015-16 Police Bureau program budget appropriations within the Drugs and Vice Division. No match is required by this grant.

**Community impacts and community involvement:**

The 2016 HIDTA grant will not have a specific impact upon any unique demographic. The grant provides funding for drug trafficking interdiction efforts that occur through the US Mail, commercial shipping businesses, rail traffic, passenger bus lines, commercial air traffic and related interstate transportation concerns. Illegal drugs and drug trafficking proceeds that are being shipped into or through Portland are the target of the investigative effort, with follow-up investigations directed at the source or intended recipient of drugs or drug proceeds. There is no voluntary citizen participation. There are no links to current City policies.

**Geographic area, neighborhoods:** The grant enables Police Bureau investigative effort that will identify and disrupt or dismantle drug trafficking organizations operating in or from neighborhoods in all parts of the city of Portland. HIDTA is a state-wide initiative.

**Businesses (small, large, specific types); institutions; interest-based organizations:** The grant enables the Police Bureau to work with commercial transportation and shipping businesses to detect and prevent illegal drug trafficking activities that are occurring within the business concern. The grant has no other specific negative impact upon the interests of any other organization(s).

**City livability (contributes to a prosperous, educated, healthy, equitable Portland):**

Grant funding enables the Police Bureau to identify, dismantle and disrupt drug trafficking organizations operating within or from the city of Portland and parts of Oregon, and to limit the supply of illegal and highly harmful drugs that otherwise would be available. The grant assists the Police Bureau in the improvement of livability through the reduction of organized criminal activity and the provision of harm reduction through the limitation of the illegal drug supply.

**Summarize significant objections/concerns and support/agreement:** There are no legitimate objections or concerns related to receiving grant funding that allows the Police Bureau to limit the supply of illegal drugs being shipped to or through the city of Portland through police interdictions efforts, and the Police Bureau has historically received extensive public support for drug investigative and enforcement work that ultimately serves to improve city livability.

**Describe how the bureau responded to or incorporated concerns into the proposed legislation:** Not applicable to this legislation.

**Indicate who/which groups will be testifying:** PPB DVD
