The 1951 Packard ambulance, Inventory No. 55076 shall be transferred to the Bureau of Property Control for disposal after the van type vehicle authorized above has been purchased.

Section 2. Inasmuch as this ordinance is necessary for the immediate preservation of the public health, peace and safety of the City of Portland in this: In order that there may be no unnecessary delay in transferring authority and appropriation for the purchase of the van type vehicle for the Bureau of Health as described in Section 1 above; therefore, an emergency is hereby declared to exist, and this ordinance shall be in force and effect from and after its passage by the Council.
