STORIES FROM PORTLAND, OREGON'S
CHANGING NEIGHBORHOODS

- **Mission:** To foster a youth-oriented dialogue about community change through storytelling that displays the neighborhood pride and identity present in the gentrifying Portland neighborhoods.
- **ILTP Work:** Efforts made by the youth community of Portland in planning, attending and facilitating events that continue the mission of the ILTP Project.

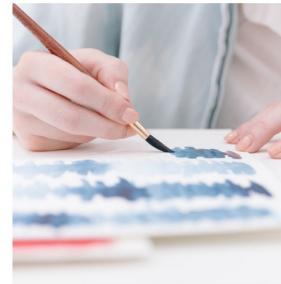

Project ECCo

Project **E**ngage. **C**reate. **C**ollaborate.

- Mission: A contest that promotes the empowerment of youth as community change makers, by developing a platform for students to design a solution that assesses a critical issue within their community.
- Focus: Recognize a problem in one's community and provide a solution.
