This duty shall survive the expiration or termination of this contract.

9. Insurance

Consultant shall obtain and maintain in full force at Consultant expense, throughout the duration of the Contract and any warranty or extension periods, the required insurance identified below. The City reserves the right to require additional insurance coverage as required by statutory or legal changes to the maximum liability that may be imposed on Oregon cities during the term of the Contract.

TASK ORDERS

Contract services provided will be authorized via Task Orders issued by the City's On-Call Contracts Coordinator for the CSA Program.

Individual projects will be assigned as project needs are identified. The scope of work, schedule, deliverables, names of any subconsultants utilized for the project, names of staff assigned and associated hourly rates, budget and total compensation for each project will be established in writing via a Task Order prior to commencement of the work. Consultant shall not perform any work prior to issuance of a fully-executed Task Order.

Any change to the scope of work, schedule, deliverables, and compensation must be agreed to by the Consultant and the City in writing as an amendment to the Task Order. Each assigned project will have a maximum monetary limit established in writing on the Task Order. Such maximum amount may be exceeded only upon the written amendment of the Task Order and only for documented circumstances unforeseen at the time the project was accepted, or for a necessary change in the scope of work as originally requested by the City.

The BES Bureau Director shall approve Task Orders and Task Order amendments in the following scenarios: 1) When amending the Task Order to increase compensation by more than 25% of the original Task Order amount or 2) When a Task Order exceeds \$75,000.

Task Orders will be negotiated on a rotational basis. In the event the City and a successful Proposer cannot reach a favorable agreement on the maximum compensation for a specific Task Order, the City shall terminate negotiations and commence negotiations with the next successful Proposer from the rotational list. Continual difficulties in negotiating compensation caps or repeated unavailability or inability to perform Task Orders may result in removal of a successful Proposer from the rotation list and cancellation of the successful Proposer's contract with the City.

In the event that the contract maximum amount is reached prior to the end of the contract term, that successful Proposer will be removed from the on-call rotation list.

Following issuance of the fully-executed Task Order by the CSA On-Call Contracts Coordinator, the Project Manager will work directly with the Consultant for the duration of the project unless otherwise noted in the Task Order. Consultant shall submit all work progress reports to the City's Project Manager identified in the Task Order. Consultant shall submit all invoices to the CSA On-Call Contracts Coordinator.

Compensation for each Task Order will be determined through negotiation based on the scope of work, the hours Consultant estimates for performance of the work and Consultant's hourly rates, subject to a predetermined cap for the maximum compensation for the particular Task Order. If the work requires fewer hours than those estimated, Consultant will be paid for the actual hours necessary to complete the Task Order. If Consultant underestimates the number of hours that are required to perform the work, the negotiated maximum compensation for the Task Order shall be the cap of the compensation to be paid. Compensation may be amended for documentable circumstances not reasonably foreseeable to either party at the time the Task Order was issued, or for changes to the scope of work or deliverables requested by the City.

Hourly Billing Rates

The billing rates shall not exceed those set forth below:

<i>Labor Category</i>	<i>Hourly Billing Rate</i>

Hourly billing rates shall include the following non-reimbursable expenses: fringe benefits, payroll bonuses, autos and other defined perquisites, telecommunications, facsimile services, overhead expenses including but not limited to local and long distance telephone, parking, delivery/courier, general business and professional liability insurance, advertising costs, postage, internal copying, lease of office equipment, mileage and other local travel costs, information technology (including computer time and CAD services and other related highly specialized equipment), all other direct costs not identified as reimbursable, other indirect costs and profit.

Hourly rates shall remain the same through the 3-year term of the contract.

Reimbursable Costs

Any reimbursable costs shall be specifically identified in the contract and/or task order. City will not reimburse Consultant for costs, including travel expenses, not specifically identified in the contract and/or task order as payable. Allowable costs will be reimbursed without mark-up.

If travel (transportation, lodging and per diem) of Consultant is specified in the contract and/or task order, costs will be reimbursed in accordance with the City's Travel Expense Guidelines which are based on the General Services Administration (GSA) per diem rates. Generally, City will allow reimbursement of travel costs only if travel is directly attributed to specific tasks and to a location outside a 100-mile radius of Consultant's office.

Subconsultant Costs

Compensation for subconsultants shall be limited to the same restrictions imposed on the Consultant. The markup on subconsultant services shall not exceed __%.

Progress Payments

On or before the 15th of each month, the Consultant shall submit to the City's Contract Administrator an invoice for work performed by the Consultant during the preceding month. The invoice shall contain the City's Contract Number and Task Order number and set out all items for payment including, but not limited to: the name of the individual, service category, hourly rate, hours worked during the period, and tasks performed. The Consultant shall also attach photocopies of claimed reimbursable expenses, if applicable. The Consultant shall stamp and approve all subconsultant invoices and note on the subconsultant invoice what they are approving as "billable" under the contract. The billing from the prime should clearly roll up labor and reimbursable costs for the prime and subconsultants – matching the subconsultant invoices. Prior to initial billing, the Consultant shall develop a billing format for approval by the City.

The City shall pay all amounts to which no dispute exists within 30 days of receipt of the invoice. Payment of any bill, however, does not preclude the City from later determining that an error in payment was made and from withholding the disputed sum from the next progress payment until the dispute is resolved.

The Consultant shall make full payment to its subconsultants within 10 business days following receipt of any payment made by the City to Consultant.

PAYMENT TERMS: Net 30 Days

ACH Payments

It is the City's policy to pay its Consultant invoices via electronic funds transfers through the automated clearing house (ACH) network. To initiate payment of invoices, Consultants shall execute the City's standard ACH Vendor Payment Authorization Agreement.

Upon verification of the data provided, the Payment Authorization Agreement will authorize the City to deposit payment for services rendered directly into Consultant accounts with financial institutions. All payments shall be in United States currency.
