**Subject:** Belmont Street neighborhood by zoning the 3300 - 3356 SE Belmont Street block CN1

**To the Planning and Sustainability Commission:**

**I urge the Planning and Sustainability Commission to keep the livability of the SE Belmont Street neighborhood by zoning the [3300 - 3356 SE Belmont Street](#) block CN1 (3 story maximum). I am very opposed to a CN2 designation (5 story), which will ruin this historic block and negatively impact the livability of this wonderful Portland historic neighborhood.**

**This area is also important as a regional destination for locals and tourists alike because it exemplifies the best of what a vintage Portland neighborhood has to offer. As a regional destination it is important now and in the future for the greater Portland metropolitan economy.**

**Thank you,  
Kimberli Ransom**
