Subject: Belmont Street Zoning

To the Planning and Sustainability Commission:

As a longtime Sunnyside resident and homeowner since 1990, I urge the Planning and Sustainability Commission to keep the livability of the SE Belmont Street neighborhood by zoning the [3300 - 3356](#) SE Belmont Street block CN1 (3 story maximum). I am very opposed to a CN2 designation (5 story), which will ruin this historic block and negatively impact the livability of this wonderful Portland historic neighborhood.

This area is also important as a regional destination for locals and tourists alike because it exemplifies the best of what a vintage Portland neighborhood has to offer. As a regional destination it is important now and in the future for the greater Portland metropolitan economy.

Thank you for your consideration of my plea.

Sincerely,
Nalota Herms
