

## ORDINANCE No. 187874

Authorize an Intergovernmental Agreement with the City of Maywood Park for design engineering and construction of pedestrian safety improvements at the intersection of NE Prescott St and NE 92<sup>nd</sup> Ave. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. There are several areas in east Portland where there are unsafe pedestrian connections to the surrounding neighborhoods which hinders pedestrian access to transit. The problems range from missing curb ramps and sidewalks to difficult and unsafe crossing locations of busy streets.
2. There is a missing section of sidewalk on NE 92<sup>nd</sup> Ave from Prescott St to NE Sandy Blvd. PBOT will be completing this section of sidewalk including ADA ramps at the intersection of NE Prescott St and NE 92<sup>nd</sup> Ave. Two of the ADA ramps to be built are in City of Maywood Park right-of-way.
3. The City of Maywood has been working with PBOT to include these ADA ramps on their right-of-way. PBOT will construct these ADA ramps on City of Maywood right-of-way at no cost to them but they will maintain them at the end of the project.
4. The Bureau of Transportation has funds budgeted in FY 2015-16 and proposed FY 2015-16 for construction, inspection and management of the project.
5. The Bureau's level of confidence in the cost estimate for this project is moderate as the project scope is clearly understood and well defined.

NOW, THEREFORE, the Council directs:

- a. The Mayor is hereby authorized to execute this IGA, approved as to form by the City Attorney, with the City of Maywood Park for the design engineering and construction of pedestrian safety improvements at the intersection of NE Prescott St and NE 92<sup>nd</sup> Ave. project, in a form similar to the contract attached as Exhibit A.

Passed by the Council, JUL 06 2016

Commissioner Steve Novick  
Prepared by: Winston Sandino:tlck  
Date Prepared: May 6, 2016
